THE COMANCHE CHIEF

Pfluger leads Texas Ag Task Force and the 11th District

Today, Congressman August Pfluger (TX-11) was announced as a leader of the Texas Ag Task Force in Congress by the Lone Star State's Republican delegation—the largest GOP delegation in Congress.

"I am excited to lead this task force with several of my colleagues and ensure that **Texans present a strong, united voice as we advocate for the hundreds of thousands of hard-working farmers and ranchers in the Lone Star State.**"

Pfluger calls for relief for Texas Farmers

"Agricultural producers are the bedrock of this country. Texas farmers were already hit hard from the effects of COVID-19 and hurricanes in South Texas, and last month's extreme freeze set them back even farther. These combined factors make it extremely difficult for producers to continue feeding and clothing our citizens. I am proud to join my Texas colleagues in advocating for swift relief for our Texas farmers."

"The 11th District of Texas is one of the top agriculture-producing regions in the country—with over 15 million acres of farm and ranch land worked by diligent producers who provide not only this district, but the entire Nation, with the food and fiber we need to survive."
