

The Transportation Policy Body for the North Central Texas Council of Governments  
(Metropolitan Planning Organization for the Dallas-Fort Worth Region)

April 27, 2021

The Honorable August Pfluger  
United States House of Representatives  
1531 Longworth House Office Building  
Washington, DC 20515

Dear Representative Pfluger:

On behalf of the Regional Transportation Council (RTC), which serves as the Metropolitan Planning Organization (MPO) for the Dallas-Fort Worth (DFW) area, I am pleased to support the US Highway 377 Project in Hood County, Texas, for Fiscal Year 2022 Community Project Funding.

The project consists of reconstructing US Highway 377 in Hood County from 4 lanes to 6 lanes divided from FM 167 North to east of Old Action Highway. The project is consistent with the plans and policies of Mobility 2045: The Metropolitan Transportation Plan for North Central Texas. All federally funded surface transportation projects must also be included in the Transportation Improvement Program. If the project is successful in receiving funds, the RTC will support its inclusion in the 2021-2024 Transportation Improvement Program for North Central Texas.

Thank you for your time and consideration of this request. If you have any questions, feel free to contact Michael Morris, P.E., Director of Transportation for NCTCOG at (817) 695-9241 or [mmorris@nctcog.org](mailto:mmorris@nctcog.org).

Sincerely,
