Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the “5 Points” Highway Safety and Efficiency Improvement Project in fiscal year 2025. The entity to receive funding for this project is Midland County, Texas, located at 500 N Loraine Street, Midland, Texas 79701. The funding would be used for improvements to a major intersection that feeds into I-20. The project will lead to a reduction in traffic collisions and improved traffic flow to the interstate. The project is an appropriate use of taxpayer funds because “5 Points” is a well-known safety hazard featuring daily congestion and deadly accidents that impacts residents, as well as the oil and gas rigs that ensure our nation’s energy security.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

August
Member of Congress
