Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding to reconstruct US Highway 377 in Hood County, Texas from 4 lanes to 6 lanes.

The project sponsor for this project is the Dallas Fort Worth area MPO, the transportation policy body for the North Central Texas Council of Governments and the project is located from FM 167 North to east of Old Action Highway in Granbury, TX, Hood County, Texas.

The project is an appropriate use of taxpayer dollars because US Highway 377 continues to be a highly dangerous route for the growing community of Granbury, Texas. This expansion would help alleviate some of the safety concerns. According to the Regional Transportation Council which serves as the Metropolitan Planning Organization for the Dallas Fort Worth area states that if the project is successful in receiving funds, the RTC will support its inclusion in the 2021-2024 Transportation Improvement Program for North Central Texas.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

August Pfluger

Member of Congress
