

Congress of the United States
House of Representatives
Washington, DC 20515-4311

Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding to construct a new Intersection at SH 191 and Yukon Rd.

The project sponsor for this project is the Permian Basin MPO and the project is located at SH 191 and Yukon Rd. in Midland County, Texas.

The project is an appropriate use of taxpayer dollars because the project is currently on the TxDoT STIP. It will construct a new thoroughfare between Midland International Airport and the western portion of the county. This is a vital piece of infrastructure that will increase mobility and safety for those en route to the airport from Ector County, City of Odessa, and western Midland Residents.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

August Pfluger

Member of Congress
