Dear Chairman Harris and Ranking Member Bishop:

I am requesting funding for the Frontera Menard Administration Office Building in Fiscal Year 2026. The entity to receive funding for this project is Frontera Economic Development District, located at 100 West San Saba Ave., Menard, Texas 76859.

The funding would be used to house Frontera's administrative office operations; provide space for meetings and educational classes (workforce development, nutrition, CPR, chronic disease management, group counseling); and furnish community non-profits with meeting and training facilities. The project is an appropriate use of taxpayer funds because it strengthens rural West Texas by expanding access to critical workforce and health-education services, fosters local economic growth, and leverages existing community infrastructure to maximize the federal investment.

This project has a Federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

August Pfluger
Member of Congress
