Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for Midland County Utility District Water Project in fiscal year 2025. The entity to receive funding for this project is Midland County Utility District (MCUD), located at 1700 W. Wall Street, Suite 100, Midland, TX 79701. The project is an appropriate use of taxpayer funds as it would develop a water treatment plant and necessary distribution system to be able to provide water for residents that live outside of the Midland City limits. Potable water will also allow Midland County residents to have safe and dependable drinking water opposed to undrinkable water that has hexavalent chromium and other toxins. This project will also be the main source of water for the new Midland County Jail.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C.5305(a)(1), 5305(a)(2), 5305(a)(4), and/or 5305(a)(5).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

August Pfluger
Member of Congress
