Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Christoval Road Reconstruction as a Community Project Funding Request in fiscal year 2025. The entity to receive funding for this project is the City of San Angelo located at 72 West College Avenue, San Angelo, TX 76903. This funding will be used for reconstruction of the existing roadway along with enhancement to related drainage facilities, installation of new pedestrian infrastructure, and updates to signalized intersections.

The project is an appropriate use of taxpayer funds because it will provide a safer, more navigable roadway for the residents of the adjacent community, many of whom work on or are assigned to Goodfellow Airforce Base. The project will not only provide enhanced traffic patterns but will ensure the road is passable during rain events through enhanced drainage facilities.

The project has a Federal nexus because the funding provided is consistent with purposes authorized in 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

August Pfluger
Member of Congress
